

## 9 Days China Yangtze River Tour(Beijing,Chongqing,Yangtze River,Shanghai) Route Summary

This tour includes a visit to Beijing and Shanghai where many historical and cultural treasures have been preserved. A cruise down the Yangtze River provides breath-taking views of nature along both sides. The Yangtze is the longest river in China, and is now home to the largest hydropower station in the world. Despite the recent changes, the beautiful scenery along the Three Gorges remains unaltered. New attractions, such as the miniature three gorges have also been developed. If you are looking for a good way to relax, a boat ride down the Yangtze is perfect for you.

**Price:** 1 Person:\$2410 2-5 Persons:\$1600 6-9 Persons:\$1160

**Destination:** Beijing-Xian-Shanghai-Suzhou

**Duration:** 9 Days

### Day 1

Beijing

**Arrive in Beijing**

**Meet at airport and transfer to your hotel.**

**Meals:**

**Accommodation:** Beijing Xinqiao Novotel

### Day 2

Beijing

Visit the **Great Wall at Badaling**. On the way back, visit the **Ming Tombs**

Here is your chance to climb the **Badaling Great Wall** of China! Built 2600 years ago, it is one of the two man-made structures seen by the naked eye of US astronaut Neil Armstrong from outer space. Later visit the **Ming Tombs**, the burial place of thirteen emperors and their families of the Ming Dynasty. Year-long excavations have uncovered many rare treasures such as the gold royal crowns and the silk robes.

**Meals:** Breakfast, Lunch

**Accommodation:** Beijing Xinqiao Novotel

### Day 3

Beijing

Visit the **Tiananmen Square**, the **Forbidden City** and the **Summer Palace**.

Beijing served as the capital for 5 dynasties over a period of 800 years with each emperor identified as a dragon sent from heaven. The **Forbidden City**, until recently opened only to the emperor's family. This complex, the largest imperial palace ever built in the world, features more than 800 buildings with over 9,000 rooms, resplendent golden-glazed roofs, red lacquered pillars and vermilion walls. See the high-walled "Inner City" with its government buildings. Next stop is the **Summer Palace**, built in classical Chinese style in 1750 as a royal recreational resort. Among its famous features are the 700-meter-long corridor with its wonderful Painted Gallery, the Marble Barge, and several magnificently painted pavilions and pagodas.

**Meals:** Breakfast, Lunch

**Accommodation:** Beijing Xinqiao Novotel

### Day 4

Chongqing

In the morning, take a flight to Chongqing, the big city by the side of Yangtze. visit the Chongqing Museum Stay overnight on the deluxe cruise boat.

The Chongqing Museum is situated opposite the Chongqing Peoples Hall. It is not only the largest monographic museum, but is also a public undertaking for the preservation, education, scientific research in respect of cultural relics and the natural environment of Chongqing and the Three Gorges area.

**Meals:**Breakfast,Lunch

**Accommodation:**VictoriaCruises

## Day 5

### Yangtze River

At 8:00 in the morning, the boat starts down the **Yangtze**. In the afternoon, visit **Fengdu**, the **GhostCity**.

Having a history of nearly 2,000 years, **Fengdu** Countyhas formed a special culture of ghosts and the afterlife. Well known asthe resting place of the spirit of the dead, Fengdu is now the mostcharacteristic and reputed historic and cultural town in China. Tourist resorts in Fengdu are abundant. Both the natural beauty andhistoric relics are immediately available to all tourists.

**Meals:**Breakfast,Lunch,Dinner

**Accommodation:**VictoriaCruises

## Day 6

### Yangtze River

Visit **Badong** and take a small junk along the **Shennong Stream** to enjoy the marvelous spectaclesof the nature.

On the border between Wu Gorge and Xiling Gorge is the **Shennong Stream**. Taking its rise from the main peak of Shennong Jia (the first peak in the center of China) and flowing through BadongCounty, it ultimately flows into the Yangtze River via the Wu Gorge. Cruising along thestream by boat, visitors will become immersed in the wonders of zigzaggingwatercourses, the primitive environment, and the canzonet by the boat tracker,and the mysterious culture along the banks.

**Meals:**Breakfast,Lunch,Dinner

**Accommodation:**VictoriaCruises

## Day 7

### Yichang/Shanghai

Continue down Yangtze, in the morning,visit the **Three Gorges Dam**.Arrive Yichang, then fly to Shanghai.

The project of **Three Gorges Dam** is made up of the construction of the main structure and the diversion construction. Being a concrete gravitydam, it has a 3035-meter-long top and a storage capacity of 39.3 billion cubicmeters. The 26 generator equipped on the dam can produce 84.9 billion Kwof electricity per year and the shipping capacity has been improved from tenmillion tons to fifty million tons, which brings a cost reduction of 35% of theoriginal.

**Meals:**Breakfast,Lunch

**Accommodation:**The Bund Hotel

## Day 8

## Shanghai

Visit the TV Tower of Oriental Pearl, the Jade Buddha Temple and the Bund. The Jade Buddha Temple, an old temple, was built to keep two jade Buddha statues which had been brought from Burma by a monk named Huigen. The temple was destroyed during the revolution that overthrew the Qing Dynasty. Fortunately the Jade Buddha statues were saved and a new temple was built on the present site in 1928.

As a landmark of Shanghai, the Bund is a must see sight for visitors who come to Shanghai. It locates at the bank of Huangpu River in the Shanghai center. In 1840, Shanghai became the leased territory of foreign countries. From then on, the Bund has become the center of external trade.

Many banks and department stores were built here. So the Bund becomes the finance street of Shanghai. And the Bund is also called the Oriental Wall Street.

**Meals:** Breakfast, Lunch

**Accommodation:** The Bund Hotel

## Day 9

Suzhou

Shanghai

Relax and depart Shanghai.

**Meals:** Breakfast

**Accommodation:** Suzhou
